

The board, faculty, and staff of Dominion Christian School promise to assist parents in training their children by operating the school in accordance with its Statement of Faith, mission, philosophy of education, and stated policies.

In return, in keeping with the biblical principle that parents are primarily responsible for the education of their children and recognizing that the school and parents must walk together in agreement in order for success to be the result (Amos 3:3), the School's board and administration asks parents or guardians of Dominion School students to make the following acknowledgments and promises concerning their children.

- ✚ We understand and acknowledge our commitment to the stated Biblical Christian world view mission and philosophy of education at Dominion Christian School.
- ✚ We understand and promise to abide by the policies of Dominion Christian School as promulgated in appropriate school literature.
- ✚ We will keep apprised of our children's academic progress and behavior by appropriately communicating on a frequent and consistent basis with their teachers.
- ✚ We acknowledge our God-given responsibility to discipline our children. We understand that Biblical discipline involves internal attitudes and external actions. We want improper attitudes in our children properly confronted. When informed by the staff of behavioral infractions, we will properly discipline our child with the goal of ensuring that the infraction does not occur again. We wish to remain the children's primary disciplinary force and thus will fulfill our role in providing an atmosphere of discipline at home.
- ✚ If we profess Christ as our Savior, we promise to regularly pray for the school board, faculty, staff, and students of Dominion Christian School.
- ✚ We promise to provide our children with an adequate and regular time and place to study and complete homework.
- ✚ We promise to resolve disputes by dealing directly with the person or persons involved without criticizing them or the school. When the issue at hand is a sin issue the approach will be in accordance with the biblical instruction found in Matthew 18:15. We will maintain confidentiality of matters between teachers and administration, not sharing these with our children or any other individual not a part of the problem or solution. Our attitude should be one of edification and redemption.
- ✚ We promise to take an active interest in all aspects of Dominion Christian School, and as God leads us and opportunities arise, to assume volunteer duties and responsibilities.
- ✚ We promise to pay all financial obligations to the school promptly. If unable to do so, we will notify the school immediately. We will be willing to bear our fair share of practical responsibilities in order to keep costs at a minimum.
- ✚ We will keep the school calendar at a position of priority, planning ahead so conflicts can be avoided.
