

Spanish IV / IV Honors Summer 2025 Activities

Queridos estudiantes,

¡Bienvenidos a la clase de Español IV/IV Honores! I am looking forward to all we will learn together next year. It is especially important that you start strong this fall, so you need to continue reviewing and practicing throughout the summer some essential information that you have learned so far. For this reason, **you will be asked to submit a reading/listening assignment on the first day of school.** Moreover, **when you return in the fall you will be quizzed on the regular and irregular verb lists that you received.** It is also important that you continue to review the irregular verb conjugations in the present and simple past tenses. Please contact me if you need a copy of the conjugation worksheets.

For your convenience, I have included the following material:

- Reading/Listening Assignment
- List of 106 regular verbs
- List of 251 irregular verbs

If you are new to our school, or if you need additional copies of the material listed above, please contact me at lqahoush@dominionschool.com.

Please don't hesitate to reach out to me if you have any questions or concerns.

¡Que tengan un excelente verano! Wishing you an amazing summer!
