### Spanish III Summer Assignment

Queridos estudiantes,

¡Bienvenidos a Español III! You learned a lot in Spanish class this year, and next year you will learn so much more. To help you start the new school year strong, **you must review over the summer the conjugations of regular (five tenses) and irregular (present and simple past) verbs** that you memorized in Spanish I and II. To help you review this material, fill out the conjugation worksheets provided to you on the last day of school. **You will turn in these conjugation worksheets on the first day of school and be quizzed on the conjugations shortly thereafter.** Spelling must be perfect to receive credit for each conjugation. **You must also review the personal questions and answers provided and be prepared for an oral quiz.** If you are new to our school, or if you need additional copies of the conjugation tables and worksheets, and/or grammar exercises, please contact Mrs. Qahoush at [lqahoush@dominionschool.com](mailto:lqahoush@dominionschool.com)

Please don't hesitate to reach out to me if you have any questions or concerns.

¡Que tengan un excelente verano! Wishing you a great summer!
