Honors Spanish IV Summer Assignment

Queridos estudiantes,

¡Bienvenidos a Español 4 Honores! I am looking forward to a great year together as we study and review all the grammatical concepts needed to communicate in Spanish. Because you must start the new school year strong, you must review over the summer the conjugations of regular (five tenses) and irregular (present and simple past) verbs that you have memorized. To help you review this material, fill out the conjugation worksheets provided to you on the last day of school. **You will turn in these conjugation worksheets on the first day of school and be quizzed on the conjugations shortly thereafter.** Spelling must be perfect to receive credit for each conjugation. **You will also be quizzed on the list of 106 verbs that you received and memorized in Spanish III.** Lastly, **on the first day of school, you will also be asked to turn in your language lab log and the vocabulary notes** from your language lab assignment. If you are new to our school, or if you need additional copies of the conjugation tables and worksheets, the list of 106 verbs, and/or the language lab instructions/log, please contact Mrs. Qahoush at lqahoush@dominionschool.com

Please don't hesitate to reach out to me if you have any questions or concerns.

¡Que tengan un excelente verano! Wishing you a great summer!

La maestra Qahoush
