Spanish II Summer Assignment

Queridos estudiantes,

¡Bienvenidos a Español II! I am looking forward to all that we will learn together next year. To help you start the new school year strong, you must review over the summer the conjugations that you memorized in Spanish I: *ser* and *estar*, and regular verbs (four tenses). To help you review this material, fill out the conjugation worksheets provided to you on the last day of school. **You will turn in these conjugation worksheets on the first day of school and be quizzed on the conjugations shortly thereafter.** Spelling must be perfect to receive credit for each conjugation. **You must also review the Chapter 2 dialogues and the Vocabulary List #10 questions and answers provided, and be prepared for an oral quiz.** If you are new to our school, or if you need additional copies of the conjugation tables and worksheets, and/or grammar exercises, please contact Mrs. Qahoush at lqahoush@dominionschool.com

Please don't hesitate to reach out to me if you have any questions or concerns.

¡Que tengan un excelente verano! Wishing you a great summer!
